# Rooms

## Carlton Room

It is located on the ground floor and may accommodate 8 to 40 delegates depending on the layout.

There is free WiFi available. Floor to ceiling windows on one side of the room bring natural light in, which may be controlled with blinds. The Carlton room provides direct access to the patio, which has panoramic views of the London Skyline

## Fairways Suite

It is located on the first floor and can accommodate groups of 50 to 120 people.

It has its own music system and PA system, as well as dimmable lighting and air conditioning. There is free WiFi available. For delegates who may have difficulties climbing the stairs, a stairlift is available.

Both sides of the function space have full-length windows that allow natural light to filter in while being regulated by blinds and drapes. The windows provide a panoramic view of the London skyline on one side and views across the golf course towards Langdon Hills on the other. A full bar is available with a wide variety of drinks and during the summer, the Fairway Suite offers a large balcony with chairs.
